COATINGS

socomore

Primer Coatings

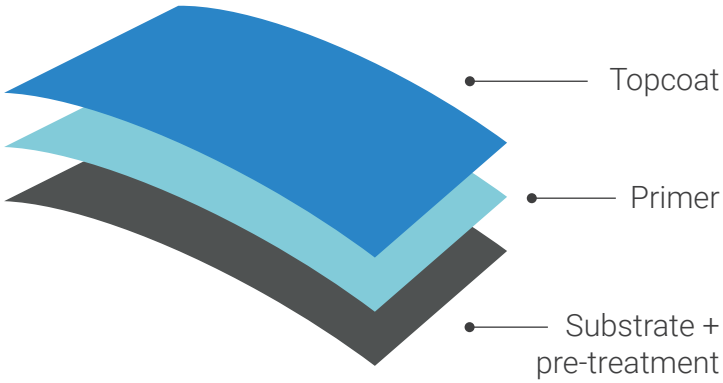

Key facts

- **Long term** protection for structural and non structural parts
- **High quality** and **high performance** **anticorrosion primers**
- **Overcoatable** primers with environmental and chemical **resistant topcoats**

Applications

Dedicated solutions for:

- Aluminium, steel and other metallic parts, composites
- Pre-treatment by:
  - Blasting
  - Conversion coating
  - TCP (SOCOSURF TCS / SOCOSURF PACS)
  - Anodizing
  - SOCOGEL adhesion promoter

Features and benefits

- **Sustainable** chrome-free primers
- Full range of **solvent-based, water-based** primers to answer customer needs
- **Corrosion** and **chemical resistant** coatings
- **OEM approved**

Range overview

Primer coatings

	Product type	VOC	Available color	Adhesion to substrate	Chromate free	Recomended Topcoat	Main approvals
PCEH 100 V2	Epoxy waterborne primer	Low VOC	Beige	Aluminium, steel, composite	Yes	LBYH 203V2	SAFRAN AIRCRAFT ENGINES
SOCOGLAZE PRIMER WB410	Epoxy waterborne primer	Low VOC	Grey	Aluminium, steel, composite	Yes	LBYH 203V2 LBYH 150	THALES
SOCOGLAZE PRIMER WB411	Epoxy waterborne primer	Low VOC	Beige	Aluminium, steel, composite	Yes	LBYH 203V2 LBYH 006	SECAN
EP 420	Epoxy polyamide solventborne primer		Beige Grey	Metallic substrate	Yes	Dx46 HES 540	
D 2339	Epoxy polyamide solventborne primer		Beige Grey	Metallic substrate	Yes	Dx46	THALES
AEROGLAZE 9947	Solventborne wash primer		Red	Bare metallic substrate	Yes		DEPT OF NAVY / NATO
AEROGLAZE 9741	Solventborne epoxy primer		Grey	Metallic substrate, composite	Yes		BOEING / CYTEC / SOLVEY / HONYWELL / LOCKHEED MARTIN
AEROGLAZE 9924*	Solventborne wash primer		Red	Bare metal, aluminium	No		NASA / NATO
AEROGLAZE 9929*	Solventborne epoxy primer		Yellow	Metallic substrate	No		NASA
SOCOGLAZE PT-500*	Solventborne epoxy chromate primer	Low VOC	Yellow	Metallic surfaces	No	PT-799	MIL-PRF-23377 Type I, Cl. C2
SOCOGLAZE PT-522*	Solventborne alkyd zinc primer	Low VOC	Yellow Green	Metallic surfaces, wood, composite, concrete	No		TT-P-1757B TY. I&II
SOCOGLAZE PTW-582*	Chromated water-based epoxy primer	Low VOC	Light green	Metallic surfaces	?		MIL-PRF-85582E
SOCOGLAZE PT-402*	Acid etching polyvinyl butyral zinc chromate wash primer		Yellow Green	Metallic surfaces	No		DOD-P-15328D MIL-C-8514C

*Only available in North America
