SURFACE PREP. & TREAT.

socomore

Temporary and corrosion protection

Storage and transportation solutions

Corrosion threatens the integrity of your metal parts at every stage **from manufacturing to transport**. Protecting your components is crucial to ensure their **performance** and **avoiding quality-related costs**.

SOCOMORE secures your entire value chain with **tailored anti-corrosion solutions** and specialized products for **easy removal**.

	Corrosion resistant alloys (stainless steel, etc.)	Aluminium alloys	Corrosion sensitive alloys (steel, etc.)
In-process storage (< 3 days)	DIESTONE Zero HD DIESTONE A8284 HYSO 93	DIESTONE Zero HD DIESTONE A8284 HYSO 93 WADIS 24/60	WADIS 24/60
In-process storage (> 3 days)	DIESTONE Zero HD DIESTONE A8284 HYSO 93	WADIS 24/60	WADIS 24/60
Warehouse storage	VCI* (or PE packaging)	WADIS 24/60 + VCI* (or PE packaging) or SOCOPAC 65H/65R	SOCOPAC 65R SOCOPAC 65H
Warehouse storage + delivery	PELLICAL 119C or VCI* (or PE packaging)	SOCOPAC 65R SOCOPAC 65H	SOCOPAC 65R SOCOPAC 65H
Weather exposure and sea transport	PELLICAL 119C or VCI* (or PE packaging)	SOCOPAC 65R SOCOPAC 65H + PE Packaging	SOCOPAC 65R SOCOPAC 65H + PE Packaging

** Contact us for more information on VCI / VPCI (packaging with integrated Volatile Corrosion Inhibitors)*

Storage and transportation products

At SOCOMORE, we have several decades of experience providing protection solutions during long or short term storage.

The products we offer carry OEM approvals and meet the necessary industry specifications.

Non-volatile degreasers and cleaners

Surface cleaning & short term protection

DIESTONE ZERO HD

- Powerfull cleaning solvent
- VOC free, Safe & non-flammable
- By manual wiping or brushing
- Short term protection

DIESTONE A8284

- Powerfull cleaning solvent
- VOC free & non-flammable
- By manual wiping or brushing
- Short term protection

HYSO 93

- Water-repellent degreaser
- VOC free & non-flammable
- In bath or in washing machine
- Short term protection

Peelable protection

A shield during storage and transport

PELLICAL 119C

- Easy peel-off removal
- UV & weather resistant
- Fast spray application
- Unpainted areas / parts

Our solutions come in various packagings

Short and long term Corrosion Inhibiting Compound (CIC)

High corrosion protection during storage & transport

WADIS 24/60

- Displaces water instantly
- Thin, transparent film
- Oily protection
- Lubrication properties

SOCOPAC 65H

- Heavy-duty protection
- Hard-wearing waxy film
- Excellent salt spray life
- Displace moisture and builds a protective barrier

SOCOPAC 65R

- Long-term protection
- Hard-wearing waxy film
- High humidity resistance
- Water-repellent barrier

CIC removers

To remove protection & preserve surfaces

SOCOSOLV A3582

- VOC free & non-flammable
- Gel type product
- Water rinsable
- Efficient on large surface

DIESTONE DLS

- Fast evaporation
- By manual wiping or brushing
- Rinse-free
- Multi-purpose cleaner

DIESTONE DLV

- 70% VOC
- By manual wiping or brushing
- Rinse-free
- Multi-purpose cleaner
